

Letter from the Chair

February 4, 2022

Here is an update on the lake level petition based on information we recently received.

The petition/request which was submitted to the DNR has been formally accepted by the DNR. It was officially accepted on January 24th, 2022. The district has submitted all paperwork and has paid the required fee.

The initial review has been conducted and is being routed for review and/or modifications. Once the final review is completed, we should receive a formal notification to the request.

We are expecting a formal response sometime in the next 30 Days.

We will keep everyone informed of any changes which may come up.

Thank you to all for your patience and understanding.
