

BLPRD Harvest Committee Meeting Minutes
Sat, August 27, 2022 – 9:00 AM
Buffalo Lake District Site
W5822 Hwy D, Packwaukee

Roll Call – Present: Gary Kershaw, Darrel Unsinn, Ed Schams, Bob Fohey
Absent: Sara Scheel, Don Klecz

Review Accomplishments of 2022 Season

A. Lake Site

1. Storage building
2. Office and workshop

Slightly went over the \$35,000 budgeted amount by \$500 due to replacing electric service breaker panel. Existing panel was in unsafe condition.

B. Added Equipment

1. Wire feed welder
2. Equipment cleanup pump
3. New weed conveyor
4. Other

Ten of twelve dump truck tires were replaced due to being unsafe.

C. Spreadsheets

1. Add 2022 weed dropoff sites list

Gary gave Bob full list of dropoff sites he compiled in the spring of 2022.

D. Seasonal Shutdown Date

1. Approximate loads harvested

Approximately 1,620 loads were harvested. About 200 more than last season.

Goals for 2023 Harvest Season

A. Lake Site

1. Point water well
2. Electrical wiring

B. Equipment

1. Apply for DNR grant funding for partial funding of a new weed cutter and conveyors
2. Approach district board at annual meeting for approval of purchase of cutter and conveyors

Old Business

Gary suggested renting a dumpster on a seasonal basis. Then it will not be necessary to have a Town of Packwaukee tax payer haul refuse from the lake district to the recycling center.

New Business

Discussion on dump truck GVW weight. Both dump trucks are over 26,000 lbs. GVW and will require driver's to have a CDL license.

Adjournment

Meeting was adjourned.
